President's Message...

Tracy Jelneck, President

Opportunity

t is hard to believe that the 2009–2010 Junior League year is just about half over. Heavens, it feels like we just had our first

GMM. As a Junior League Member in whatever your placement, you start the year with so many high expectations. You may want to accomplish this and that, but there never seems to be enough time. If you have children school begins and with that comes the extracurricular activities, the celebrations and parties announcing the arrival of the holidays, girls nights out, date nights, new adventures, committee and council meetings, and the list just goes on and on.

Junior League is an organization like no other. We don't just support one cause or one particular organization but many, what with our Signature Project, DIAD, DIAM, and community service activities. What makes us different from all of the other not-forprofits out there? We are a training organization. A training organization that, believe it or not, is supposed to train our Members and then, regretfully...let them go.

Several years ago I was told my children were on loan to me and that I was not to keep them forever. My job was to raise them to be respected and productive members of the community, but then at some point I was to let them go to make their own way in this world. Junior League is similar to that. We train our Members, we give them opportunities to lead and train others and then like all good parents...we let go. We let go so that our Members can go out into the community and fall back on their training and improve the community.

As we start this new calendar year may you all begin to think of ways that you can improve the community. Start thinking of where you want to be in Junior League and what impact you would like to make. The 2010–2011 Board, New Member Committee, and Nominating and Placement Advisors were slated in November and we will vote in those Members at the Annual Meeting in January. Then comes chair selection and budget preparation sometime in February followed by the placement fair in March, just to name a few. Then lo' and behold it is May already and time to celebrate our year and all of our accomplishments at our May Celebration Meeting where the reigns are passed to the incoming Leadership Team. Whew! We sure have a lot in which to look forward.

But in the meantime, remember that the holidays are meant to be spent in the company of family and friends. They should not be full of stress, but should be enjoyed. Spend the time savoring your accomplishments of the year past and celebrating the year to come.

Looking forward to seeing you all in January,

JLL Stocks Mission Pantry

Kristi Moore, DIAD Committee

n October 21, 2009, a group of Leaguers bought, delivered and stocked food for the Lansing City Rescue Mission. Lansing City Rescue Mission is one of two primary homeless shelters in the Lansing area. They serve approximately 200

meals a day, have 44 beds and are almost always full. They have seen a huge increase in need in the past few years.

Given the need and seeing the faces of those waiting for dinner made us all feel like we participated in a really worthwhile event. Lansing City Rescue Mission and other organizations like it doing such fantastic work to ensure no one has to sleep outside in the winter months or go without a meal are totally dependent on donations like the one from Junior League. I think we can all be proud of contributing and helping such an organization! There will be other opportunities in the future to participate with their new women and children shelter. Special thanks to Jill Tuley, Lynn Garrett, Jennifer Brewer, Stacy Carl and Angela Vlahakis!

New Year... New Office Location!!!!

1231 Michigan Ave., Suite 204, East Lansing

Betsy Svanda, President-Elect

The board has been like the show "House Hunters" recently, but instead of looking for a house we have been looking for office space.

For the League's current office space we pay \$1,560 each month for rent, this adds up

to \$18,720 a year in rent. With the Building Fund at \$116,000, we will have depleted it within 6 years if we stay at our current location.

The board has looked into many options from buying, to partnering with other non-profits and have decided it would be best to have a smaller office with shared meeting room space. By going to a smaller office space we will bring our rent down to \$350.00 a month, including phone and internet. This will allow us to sustain the Building Fund for many years to come.

We look forward to "Cleaning House" and starting the New Year with a new office for the Junior League of Lansing. Our new address will be 1231 Michigan Ave., Suite 204, East Lansing, Michigan 48823. Although not yet determined we will most likely have the same phone and fax number. Our attorney is currently reviewing the lease, but we expect to have signed it prior to Thanksgiving.

Spring Fundraiser News

Diane Sloan, Spring Fundraiser Chair

Put on your dancing shoes... or tennis shoes... or whatever you're comfortable in, because, IT'S SALSA TIME!!!

A new idea has been born for the JLL Spring Fundraiser.

We are just in the beginning stages putting the plans in place, but wanted to give you a flavor of what's to come.

The Spring Fundraiser will have two parts this year. The first phase will consist of a series of four salsa lessons. You can either sign up for a single lesson or sign up for the group of four at a reduced rate. These lessons will occur one night per week over a four week time frame, begin-

ning in February.

At the end of the lessons, phase two of the Fundraiser commences in March with a "Show Us Your Salsa Moves" Event at a local venue. You don't need to take the lessons to come to the event, or vice versa — just come wherever you can! All of the details are being finalized at the pres-

ent time, but for now, grab your girlfriends, or your husband and some couple friends and tell them what's coming up in their near future... a fun couple of nights filled with friends, new moves, and healthy exercise!

CELEBRATION!

Sue Mills

n a gorgeous fall Sunday afternoon Members of the Junior League and their guests gathered at the beautiful new home of **Marcia Horton** and Joe Fink to celebrate the 25th Anniversary of the establishment of the Junior League of Lansing Endowment Fund. And what a celebration it was. Guests circulated throughout the home while

munching on hors d'oeuvres and conversing with League friends including New Members, Actives, Sustainers and former Members.

Sue Mills, chair of the Endowment Fund Board of Trustees welcomed **Mary Olson**, chair of the original planning committee who joined us from Florida for the event. Special mention was made of Sustainer **Char Roe**, the guiding force behind the development of the endowment and its first president, for her continuing support and guidance through the years. Joe C. Foster, Jr., husband of Sustainer **Jan Foster**, was recognized for his development of the original Declaration of Trust. But the highlight during the event was the announcement that League Members had met the challenge of raising \$25,000 to match the \$25,000 anniversary gift to the endowment from **Char Roe**. To date, \$51,110 has been raised through the \$25/25 Every Member Drive and the proceeds from the Celebration Party.

Special thanks to Mary West, chair of the Celebration Party, the committee, the ten JLL Actives who volunteered at the event and to the Patrons: Deb Atkinson, Cheryl Bartholic, Nancy Berger, Chrissie Brogan, Dave and Pat Brogan, Ken and Ginny Brooks, Jim and Barb Cleland, Rick and DeDe Coy, Jim and Patty Croom, Carolyn Dudley, Lynn Fiedler, Joe and Jan Foster, Jr., Janet Freund, Sandy Grettenberger, Barbara Hamilton, Jim and Kim Hartman, John and Carolyn Hoagland, Marcia Horton and Joe Fink, Don and Cheryl Martyn, Sue Mills, Craig and Jan Moore, Terry and Bev Oetzel, Mary L.
